Agenda:

<https://indico.desy.de/event/48066/> (not public)

TOP 1: Chairmans Report

- The minutes of the KET meeting on 18.02.2025 were approved.

Top 2: Approval of national ESPP input

- The KET ESPP draft document was sent to the workshop participants and the chairs of KAT, KHuK, and KfB on 13.2.2025
- The chairs of KfB and KHuK replied with no comments and no need for further discussion
- Based on the KAT ESPP draft document, the KAT related statements in the KET draft were slightly adapted. No further comments for changes on the KET draft from the KAT community are expected.
- Three comments were submitted by KET workshop participants and implemented appropriately
- The KET ESPP draft document was approved by KET and is planned to be submitted to ESPP on 25.03.2025

Top 3: Preparation of April 28./29. ESPPU Workshop in Munich

- Currently 53 participants are registered
- Apart from the wild card talks, all speakers were contacted and agreed
- The issue of gender balance for the workshop speakers was raised again and discussed
- The options for the wild card talks and speakers were discussed

AOB:

- Ties Behnke will replace Beate Heinemann in the KET starting from the next meeting. The KET thanked Beate for her active contribution during the last years.

Next KET meetings:

The next KET meetings will be:

- A dinner during the DPG on 02.04.2025
- A preparation meeting for the Munich ESPPU Workshop around mid-April
- A meeting at the end of the Munich ESPPU Workshop on 29.04.2025

Protocol: Michael Duehrssen and Lutz Feld
